

Dear ENT Advocacy Network Member:

January 10, 2020

Legislative and political activity directly affects our practices and our patients. As a leading advocate for otolaryngology-head and neck surgery, we hope you enjoy reading this edition of *The ENT Advocate*, your premier source of advocacy information for the specialty!

Start the new year off right by becoming a 2020 "First 50" ENT PAC Investor! The First 50 campaign is underway, and AAO-HNS members have until January 31 to participate in this fundraising effort to garner at least 50 \$1,000+ (Chairman's Club or Leadership Club) contributions. As we prepare for another year of healthcare-related legislative priorities, participating in the First 50 campaign will help ensure the Academy can actively engage on issues critical to the specialty. First 50 contributors will have exclusive access to a 2020 conference call series with high-ranking individuals from Congress or the Administration. Help us by making your 2020 Chairman's Club (\$1,000 or \$85/month) or Leadership Club (\$2,500 or \$210/month) [contribution to ENT PAC today](#).* If you have questions or would like additional information, contact ENT PAC staff at entpac@entnet.org.
